FOR IMMEDIATE RELEASE

*Internationally Acclaimed Violin Virtuoso Yoojin Jang
To Perform With The Cheyenne Symphony Orchestra For October Concert*

Beethoven & Friends Concert—Saturday, October 29, 2016

Maestro William Intriligator and the Cheyenne Symphony Orchestra welcome a very special guest artist in October. International violin competition winner and seasoned performer Yoojin Jang will take the stage with the Orchestra to play Beethoven's Violin Concerto on Saturday, October 29. Intriligator says there's a "legacy" of sorts involved with her debut with the Cheyenne Symphony Orchestra, "I first learned about Yoojin—a native of Seoul South Korea, from her teacher, Miriam Fried, who has soloed with the CSO twice before. In fact, the last time Miriam performed with us, she played the very same piece that Yoojin will be playing with us, the Beethoven Violin Concerto, an incredible, great piece." Intriligator adds that Jang is an amazing young violinist, with a gorgeous sound and virtuoso technique, "although she is young, she plays with the wisdom of an older violinist."

The Orchestra will also play additional selections from two different composers during the concert, Intriligator says the pieces are timeless and uplifting, "the Dvorak symphony we will perform has some of the most gorgeous, uplifting music that the composer ever wrote. Like the Beethoven violin concerto on this program, this symphony has an overall happy, easy-going feeling to it—something which can be rare in classical music, especially in the usually stormy music of Beethoven. And, the Brahms Hungarian Dance is a short crowd pleaser, added like a dessert at the end of a great meal."

Maestro Intriligator and Jang will be available for media interviews prior to the concert event.

Several music education appearances are scheduled in the Cheyenne community next week:

- Thursday, 10/27, 9-10 am at Johnson Junior High School and 12-1 pm at the Cheyenne Kiwanis luncheon.
- Friday, 10/28, 12-1:30 pm Classic Conversations at the Laramie County Library.

If you would like to schedule an interview time or would like more information,
please call media contact Laurie Farkas (307) 256-2301.
